

FULL BELLY SKID PLATE

YAMAHA RHINO
Y-FBSP-RHINO-660-03-05

INSTALLATION

Remove skid plate, Do not discard bolts or washers, you will need them to reinstall the aluminum skid plates. If you have purchased each part separately, follow the same instructions. The set includes 3 parts. If you purchased our skid plate package always mount the full belly plates first. Mount the skid plate or the skid plate hook holster over the full belly skid plate.

REMOVE AND REPLACE
